We played 10 a side and for once we started passing and moving the ball around efficiently. It wasn't long before Zachary Emmel put us in the lead and soon after Arthur Hill, who had an excellent game got a second. Gareth Tainton, Morgan Davies, Daniel Grimster and Shayan Rabheru were solid at the back and as a consequence Alistair Major had very little to do apart from take the ball out of the net late in the second half! Jack Binnington had a tap in to make it 3-1 at half time.

In the second half the team were rotated to make it less easy to score but Freddie Sargent hit a super shot to the left of the keeper and Arthur Hill scored two more. Zachary Emmel came close to scoring the goal of the match when he swiveled on the ball beating two men, knocked it to the side and shot a screamer just over the bar.

A good performance and hopefully it will give the team some confidence going into their next game.
