2<sup>nd</sup> XI vs. Davenies

*Date: Wed 9<sup>th</sup> Feb*

*Venue: Away*

*Result: Lost*

*Score: 1-6*

*Scorers: A. Hill*

We started quite well although Davenies took an early lead. Arthur Hill scored from the penalty spot when a Davenies defender hand balled it. From then on the team were gradually broken down as Davenies gained control of the game and almost scored at will. Our tackling was very poor and the midfield failed to get back and help the defence on numerous occasions. Alistair Major was the man of the match, making some excellent saves. If it wasn't for him the score would have been in double figures. Granted we were missing some players but we can play much better than this.
