*Our boys played really well in this game although the opposition were not as strong as the other teams we had played. Hamish Smart put us ahead with a neat finish down the left hand touch line and Ollie Lomax was rewarded for his efforts as he ran on to a long pass to slide it past the keeper for our second.*

*In the second half our side dominated the match and got another 3 deserved goals. This was a solid performance especially with a few boys away from the side. Well done!*
