Score: *3-3*

Scorers: *Hamish Smart (2), George Gupwell. Man of the match: Hamish Smart*

This was another exciting match in which we found ourselves down yet again, through some sloppy defending and lack of communication. We scored the goal of the match straight after with some intricate passing and the ball ending up at George Gupwell's feet which he finished off neatly. Davenies took the lead again as our central defenders failed to clear the ball from a through pass that their striker got on to, to slot the ball home. It was a lack luster performance by the side in the first half and once again we had to fight back for as result.

Second half we came back stronger and started to create chances. Davenies got a 3rd however as our keeper came storming out the box and their striker pushed the ball past for a 2 goal cushion. Hamish Smart saved us with his two fantastic finishes and he could have had another two. It finished 3-3 in a gutsy performance by the side. It was definitely not a good performance as the boys seemed tired and not on the ball. I hope we see an improvement next week as we take on Chesham.
