

Artist of the Month – June 2010

James Cozens

“I am so glad that I am artist of the month because I love drawing and this is my last term at Gayhurst. It is also my birthday very soon. This drawing is of the cruise ship ‘the Diamond Princess’-the ship I went on last summer. This drawing is part of my ‘scrap drawing book’ which I have created and stored my drawing for the last 2 years.”
