

# Junior Artist of the Month – June/July 2010

## Cameron Fisher

*“I enjoyed drawing this self-portrait because I had already tried one when I was younger and this one was even better. It is very important to remember all the rules when you are drawing a face. I looked at self-portraits by Van Gogh, Rembrandt, Monet, Picasso and Andy Warhol to help me think about how I wanted to look in this picture. I liked the Leonardo Da Vinci self-portrait best because the drawing was very realistic.”*
