“ If your system is over 5 years old, your property is being protected by out of date equipment. There have been any improvements to the functions and operation of Intruder Alarm Systems, including the introduction of new European Regulations in 2004

“ (These can be viewed on our website at www.scssecure.co.uk)

“ If you are interested in bringing your system up to date, SCS are currently offering to replace up to a maximum of 6 movement sensors on all control panel upgrades carried out before the end of 2009.
